

GENERAL CIGAR DOMINICANA, S.A.S.

ZONA FRANCA INDUSTRIAL / APTO. POSTAL 875, SANTIAGO, REPUBLICA DOMINICANA / PH: 809-226-2500 • FAX: 809-226-2470

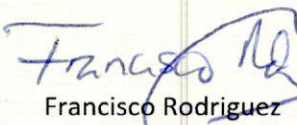

June, 2017

To Whom It May Concern:

General Cigar Dominicana S.A.S is pleased to have taken the initiative of using Ameri's products; especially Sunshine Daylighting System. With this system, it was possible to use natural light in some areas used for cigar boxes assembly, where energy consumption's usage is intensive.

The Sunshine Daylighting System made possible the reduction of energy consumption in 40% only in lighting, and at the same time this has helped reduced fatigue at work stations. Ameri, with its Sunshine Daylighting System, has served as an ally for General Cigar Dominicana S.A.S in order to be in compliance with environmental commitment by the reduction of carbon footprint worldwide.

Sincerely;

Francisco Rodriguez
General Manager
